Jenny Tranfaglia, Editor in Chief

The Goal of this publication is to provide parents who care for children who are premature, high risk, have special needs, and for parents who have experienced the loss of a child with a source of information and support.

We hope this Newsletter will serve as a vehicle for parents and families to share their personal experiences and feeling with others.

The Little Angel Fund would like to take this opportunity to express our deepest appreciation and sincere THANKS to Ed Martin & Michael Sammartano who have believed in our goals and cared enough to help us reach out to families in need through our newsletter. They have been able to print our newsletter free of charge for years. At this time, Peconic Printing will be printing the newsletter for a small fee. We appreciate their time, talents, generosity and true concern.

LITTLE ANGEL FUND CELEBRATES 35 YEARS OF SERVICE

The Little Angel Fund celebrated 35 years of service with a Dinner Dance on March 23, 2019. What a joyous occasion. During these past 35 years the organization has grown and flourished. The fund was created in memory of Jenny and Joseph Tranfaglia's daughter, Amanda Rose. No one had any idea then that the organization would still be active after 35 years. Who would have thought that such a tiny, helpless child, who lived for such a short time (33 days) would have made such a huge, far reaching impact on the lives of others. We have made every effort to achieve our goals, maintain our services and expand our programs. When we receive letters from parents, hospitals, and staff thanking us for making a difficult time easier, we know we have accomplished what we set out to do.

The Dinner Dance was attended by 115 guests. It was a wonderful event! Trio's restaurant at the Holbrook Country Club did a great job. The food was delicious. The place was decorated beautifully. Floral centerpieces on each table donated by Tower of Flowers and balloons donated by Balloons A La Mode placed on special tables with a huge number 35 balloon in the center of the room. The DJ, Gregg and his NICU sons, played all night as the guests danced and enjoyed the music.

Due to the kindness and generosity of many, we had free door prizes, raffle gifts, and amazing silent auction items. We raised \$7,500. Family, friends, NICU staff, volunteers all shared in this celebration. Everyone enjoyed sharing stories, remembering events of the past and discussing future endeavors.

We thank all who participated in any way towards the success of this event. We thank you for believing in our goals and services. The Little Angel Fund does its best to help and support parents of premature babies while in the NICU, when they go home and in the case of a loss. We were happy to have so many share in this joyous celebration of the fund's 35 years of service. We look to the future with optimism and hope. We pray that our services and volunteers continue to be an effective source of help, support and comradery to families in need.

Their community Service was for the President's Award. Fortunately for us, they have already committed to making another 40 each for this coming year. We thank them for sharing their time and talents. We wish them good luck in all they do.

VERY SPECIAL FRIENDS

Taking the Time - Going the Extra Mile - Making an Effort

These sayings are often said about friends and special people.

They really apply to the following Little Angel Fund members who did fulfill their meaning.

I would like to tell you about these members and how they went out of their way to be of help and support.

ISLAND BUDOKAN KARATE

Our friends from Island Budokan karate held their annual tournament in November, 2018.. They spend many hours organizing this event. They raised \$2,500 which they donated to the Little Angel Fund.

We want to express our deepest appreciation to Sensi Dan Hayes, his students and their families for all their participation and hard work.

Jenny and Joseph Tranfaglia had the pleasure to visited the dojo where they met Dan, his students and some of the parents. We commend them on their community service and for helping to make a difference in the lives of others.

HUNTINGTON CLUB

The Huntington Club held their annual end of the year luncheon. At this event the Little Angel Fund was given a donation of \$2,500 and a bag of donated stuffed angels. We are very grateful to these ladies for believing in our goals and services. Thank you for your continued help and support.

We want to take this opportunity to congratulate them on celebrating **50 years** of service. We attended their Anniversary Dinner at the Watermill. It was an enjoyable evening.

We look forward to many more events. Thank you for your continued support

Congratulations!

SUNRISE DRIVE ELEMENTARY SCHOOL

The Students from Sunrise Drive Elementary School run a bottle redemption program. Each month they donate money from their collection to various organizations or families in need. In December they donated \$100 to the Little Angel Fund.

Thank you for your hard work and caring hearts. We appreciate your donation. This is a great way to give back to the community. Thank you for helping to make a difference in the lives of others.

CATHOLIC DAUGHTERS OF AMERICA PAST REGENT'S CHAPTER

We want to thank the Past Regents' Chapter of the Catholic Daughters of Americas for this kind and most generous donation of \$500. Their help and support is most appreciated. Most of all we thank them for believing in our organizations goals and services. Rest assured it will be put to good use.

SAYVILLE SUNRISE ELEMENTARY

With the help of Barbara Nintzel, the Sayville Sunrise Elementary school made a Christmas donation. They had a giving tree with tags to purchase items for our Welcome Package. Boxes and boxes of baby bibs, socks, wash clothes, hand sanitizers, memo pads, diapers, and clothing were all donated.

We thank Barbara and the faculty, student and parents of the school for helping to make a difference in the lives of others. This donation is a huge help. Welcome packages are given to each baby upon admission to the NICU at Stony Brook University Children's Hospital. We look forward to working with you again this holiday.

SAYVILLE MIDDLE SCHOOL HOPE CLUB

In March of 2019 this Middle school also did a drive to collect the same needed items for our Welcome Packages. These packages are assembled by Carmen DiBartolomeo and a group of student volunteers. Since she delivers over 50 packages every few months many items are needed.

Thank you to the school, staff, parents and students for believing in our goals and services and making this wonderful donation. We hope they can do it again the coming year.

Both schools are shining examples of what can and is being done by the youth of our community.

Mr. & Mrs. Morris, NICU parents, were honored with the Chamberlain Award at the 18th Annual Local 804 golf classic charity event. In turn they got to choose a charity to honor for the next year's outing. They chose the Little Angel Fund. We received a check for \$4,000.

We are so very grateful to the Morris family and the union for this kind and generous donation. Most of all we thank them for believing in our goals and services. Congratulations to Heather and Joe on this award. Rest assured the donation will be put to good use. Thank you for helping to make a difference in the lives of others.

SACHEM HIGH SCHOOL EAST AWAKE - A - THON

Our dear friends from **Sachem High School East** were not able to hold their **Annual Awake - A - Thon** over the Martin Luther King weekend. This has been a tradition in Sachem for many, many years. Due to inclement weather it was cancelled. Many of the families did make donations to the Little Angel Fund. We thank them for their continued support.

In the spring the students collected items for our Welcome Packages. They also donated \$500 for us to continue this project.

Thank you for helping to make a difference in the lives of others. You are shining examples of what can and is being done by the youth of our community. Thank you to Merry Babst and Jaimie Donaruma for believing in our goals and services. We look forward to working with them in the future.

To Be a Volunteer

To be a volunteer, it takes...

- Generosity, a willingness to give your time to others
- Understanding, because their lives might be very different from your own
- Empathy, an ability to put yourself in someone else's shoes and feel what they must feel
- Compassion, to truly care about making someone else's life better
- Patience, because the process doesn't always go as smoothly as it might
- Dedication, to stick with the project and see it through

You've shown these qualities and so much more, so thank you for all that you do.

**STELLA ROSE LANNING
FUND RAISER**

Hi Jenny,

I wanted to explain how we raised \$500 this year for the Little Angel Fund in memory of our precious daughter, Stella Rose Lanning. I held a Zumba fund raiser in November this year that was very successful. Stella's father hosted an Applebee's breakfast fund raiser with Santa Clause in December. Together we raised \$2,000 for her scholarship fund to give to two deserving high school seniors in the high school where I teach and the remaining \$500 was sent to you.

Thank you for all that you do to support parents of NICU babies.. Our angel would have been 4 this past August. It is amazing how fast time flies but also how fresh the loss of her still is. We are proud to have been able to raise money over the years in memory of Stella. Makes us happy knowing her short life still makes a difference in the world today. God bless you and all of the angel babies.

Love Jackie and John Lanning

We want to thank Mr. & Mrs. Lanning for all their help and support over the years in memory of their daughter, Stella. Rest assured the donation will be put to good use. We are most thankful that they believe in our goals and services to take the time and do the hard work needed to sponsor these events. These donations are a tribute to Stella's memory.

I always think about my time volunteering with the LAF. I loved working with you and your team. It was comforting to know we were helping others in the same situation as us. Our babies will always be with us and in our hearts.

A huge THANK YOU Jenny for all that you do to bring comfort and compassion to a difficult time in parent's lives.

You must be so proud of your son. He is a beautiful young man with all the beautiful qualities of you and your husband.

God Bless your family and I really hope for a speedy recovery of your shoulder. I am putting the check in the mail today.

Can't wait to see pictures from the dinner dance.

CONGRATULATIONS on 35 years of Service!! Well Deserved. <3

Love,
Chris

LITTLE ANGEL FUND CONFERENCES

Stony Brook Children's

Dear Jenny,

On behalf of the Transport Staff of the Neonatal Intensive Care Unit of Stony Brook University Hospital, I would like to take this opportunity to thank you for sponsoring the refreshments for the Transport Education Day. We had four classes last year (1/22/2018, 3/28/2018, 6/21/2018 and 11/29/2018). The Transport Education Day provides an overview of the neonatal transport process.

This was another learning session where our staff, including Stony Brook nurses, respiratory therapists, and EMS, was thoroughly prepared for managing newborn transports to our many affiliate hospitals. This class trains new staff and gives a refresher to the experienced nurses how to manage newborn transports. This class is an eight hour class where we go over the basics of a newborn transports and conclude with a mock trial. Staff's feedback has been very positive, feeling prepared to handle real scenarios.

We appreciate your continued support of the NICU staff and the babies and families that they care for.

Dear NICU Staff,

On Sunday I will be turning 18 and I wanted to say thank you. If it was not for Stony Brook Hospital's NICU I may not have reached this milestone the same way. Thank you from the bottom of my heart for working hard and making sure I went home big and strong. I wanted to make sure you all know that I am healthy and happy and can't wait to be 18! I also wanted to let you all know that I will be attending SUNY Geneseo in the Fall. I will be on the Womens Soccer team there and will be majoring in Childhood Education. I hope I will be able to keep coming back here on my visits home. Thank you all again for everything you did for me 18 years ago.
